Celebrating Sue Hartsworm

After an exceptional 41-year career in human services, Sue Hartsworm is retiring from HOPE Services, leaving behind a legacy of compassion, expertise, and unwavering dedication to families and children in the field of developmental disabilities.

Sue earned her Bachelor's degree from the University of Wisconsin-Stout and her Master's in Social Work from The Ohio State University, combining formal education with hands-on experience to make a profound impact in her work.

Sue began her career in 1984 as a social worker serving individuals and families at various agencies. In 1994, Sue joined HOPE Services as a Service and Support Administrator for the preschool and school-age population. Over her tenure, she worked under six different superintendents and navigated significant changes in the field of developmental disabilities, earning the respect and admiration of colleagues and families alike. Her knowledge, dedication, and steady guidance will be extremely difficult to replace.

Beyond her professional achievements, Sue leads a rich and active personal life. She has been married for over 50 years and is a proud grandmother of five. She enjoys traveling to Florida but also enjoys spending time at her cabin in northern Michigan. A true lover of the outdoors, Sue enjoys snowmobiling, boating, and reading.

HOPE Services expresses its heartfelt gratitude for Sue's decades of outstanding service and wishes her many joyful, well-deserved years of retirement. Sue's remarkable career is a testament to dedication, expertise, and the lasting difference one person can make.

Henry County Special Olympics – Winter Sports in Full Swing!

December marks the exciting full start of our winter sports season! During these months, Henry County athletes are busy with competition cheer, basketball, powerlifting, competitive swimming, and esports. There's almost always a Cougar game or practice happening nightly—our athletes are working hard and having fun!

Basketball Season Highlights

This year, we are proud to have four basketball teams, divided by skill level:

- **School Age Team** (Division 2) – For athletes up to age 21
- **Three Adult Teams** (Divisions 3–5) – Division 3 is currently our highest skill level, though Special Olympics Ohio offers teams up through Division 1

Team Rosters:

Division 5 – Green Team: Cody Steen, Caitlin McCafferty, Breckin Maas, Dalton Kidd, Samantha Dorrington, Krysta Delgado, Maylynn Sterrett, Ashley Curtis, Lydia Knepper, Lydia Kuehner, Joey Kuehner, Robby Bauer, Collin Johnson, Gary Cody

Division 4 – Black Team: Juan Delgado, Aaron Delgado, Domenik Neumeier, Griffin Paradyse, Job Knepper, Matt Harris

Our Division 3 team recently attended the Mount Vernon Nazarene College Basketball Tournament on December 14, finishing with a 1-1 record against Medina and Hilliard counties. Great job, Cougars!

Social Connections & Inclusion

We also attended a Winter Dance with our friends from Lucas and Wood County Special Olympics programs. A big thank-you to Wood County for hosting! These events remind us that Special Olympics is about more than sports—it's about friendship, teamwork, and inclusion.

Special Olympics provides opportunities that go beyond competition:

- For Athletes: Friendships, a sense of belonging, reduced isolation, and empathy through Unified Sports
- For Families: Support networks, shared experiences, and community involvement
- For Communities: Inclusion Revolution, unified culture, and empowerment for athletes as leaders

Sports truly are the universal language that builds a more inclusive world—one team, one friendship, and one competition at a time.

Athlete Leadership Updates

Our State Athlete Leadership Council members attended a two-day meeting in Columbus to plan activities for 2026. Anthony Delgado and Lydia Knepper were able to give a short presentation to the staff of the Special Olympics State office about the Athlete Leadership Council. Special Olympics Ohio Board Member Krysta Delgado also participated in a board retreat to learn about exciting new initiatives coming next year.

A huge congratulations to Anthony Delgado, who was elected Chairman of the State Athlete Leadership Council! We know you will represent Henry County with pride and excellence.

Locally, our athlete leaders held their monthly meeting, played holiday games, and began working on their community plan for 2026. We can't wait to see all the amazing ideas they bring to life!

We want to wish everyone an amazing New year! May 2026 bring you all new adventures and experiences!

Voices of HOPE Celebrates the Holidays with Local Author Brooke Ward

The Voices of HOPE self-advocacy group rang in the holiday season with a special gathering that brought joy, laughter, and inspiration! We were thrilled to welcome local author Brooke Ward, who joined us to share her story and discuss the ways she advocates for her wants and needs.

Attendees had the opportunity to chat with Brooke, receive a copy of her book, and engage in lively teamwork games. Some games even offered fun prizes, adding to the festive spirit. It was wonderful to see everyone come together, connect, and celebrate the season in a supportive and joyful environment.

A big thank you to everyone who attended and participated—you made this holiday event truly special!

Early Intervention December Playgroup Recap

The Early Intervention December Playgroup and Christmas party was held on December 10th in the Activity Center at HOPE Services. We had 6 families attend. The Early Intervention team provided a meal for the families. The families enjoyed participating in ornament making using foam stickers, decorating cookies with frosting and sprinkles, a sensory bin with beans and pom poms and decorating a tree using Christmas bows. It was a jolly-good time for all!
