DSP APPRECIATION WEEK CONGRATS TO GIBSON

Following DSP Recognition Week, all of our DSP nominees were entered into a random drawing and Gibson was our lucky winner! Gibson received a "Take a Break" Gift Basket filled with treats and a \$50 Walmart gift card.

Congratulations, Gibson!

Most importantly, thank you to ALL of the incredible DSPs serving individuals throughout Henry County and beyond. DSP Recognition Week may be over, but our appreciation continues all year long. Thank you for the difference you make every day!

CELEBRATING NATIONAL DISABILITY EMPLOYMENT AWARENESS MONTH

October is National Disability Employment Awareness Month (NDEAM)! This important month celebrates the many skills, talents, and contributions that individuals with disabilities bring to the workplace and our communities.

Throughout October, we will be highlighting employment, inclusion, and the value of individuals with disabilities in the workforce. Be sure to follow us on Facebook for daily NDEAM posts featuring facts, employment successes, and ways our community can support an inclusive workforce.

You may also see our NDEAM billboard around the community in October as we work to spread awareness and celebrate the talents of individuals with disabilities.

Join us this October as we celebrate the theme “Celebrating Value and Talent” and recognize that everyone has something valuable to contribute!

Struggling to find things to do. Fall is a good time of the year to still get outside and have fun. Northwest Ohio has plenty of season activities for everyone to do.

Leaders Farms Corn Maze is open and has lots of fun activities for everyone. These include their Corn Maze, Jumbo Jumper, Human Foosball, Putt Putt Golf, and GaGa Ball. They also have a scenic hayride. They also feature BIG JACK the Pumpkin Cannon! If you want a good scare, visit their Scream Acres Haunted Cornfield!

Another option outside of Henry County is Johnston Fruit Farms located in Swanton, OH. There you can pick your own apples, pumpkins, flowers, strawberries, blueberries, and raspberries. They also make cider and fresh donuts.

Also located in Holland, OH is MacQueen's Orchards. There you can also pick your own apples, peaches, and vegetables. They also have a corn maze to go through. This season MacQueen's is offering Adventure Land for all ages. This includes a jumping pillow and fun slides. MacQueen's also offers a corn maze in the middle of the orchards.

Lastly another place to check out is Hoen's Orchard in Delta, OH. They offer a U-Pick of Apples and Pumpkins. Also available are Autumn Squash: Acorn, Buttercup, and Butternut. Along with pumpkins, Hoen's has mini gourds.

These are just a few options in Northwest, OH. There are lots more you can search for if interested!

KELLY'S COLUMN

OCTOBER 2026

WE ARE A COMMUNITY

by **Kelly Rieke**

Superintendent

In Henry County, one simple truth connects us all: most of us know somebody who loves somebody with a disability. A child in your neighborhood learning new skills, a co-worker's niece working hard to stay independent, a friend from church proudly competing in Special Olympics. These relationships remind us that disability is part of our shared community story.

HOPE Services currently supports more than 400 children and adults with developmental disabilities across Henry County. Each person brings individual strengths, needs, goals and hopes for the future. Local property tax revenue helps fund early intervention services to help toddlers learn and grow, transportation that keeps people independent, community employment training and opportunities, crisis support that ensure safety, and programs that build confidence and connection.

Depending on assessed needs and individual choices, some people receive support in their homes with activities of daily living, such as bathing, dressing, eating, mobility and personal hygiene. Others may need ongoing assistance with health, safety or daily routines. These services are designed to help people live as independently as possible while remaining connected to family, friends and familiar surroundings.

Funding also supports community participation, personal growth and self-determination. Through Special Olympics, athletes can develop skills, build relationships and celebrate their achievements. Self-advocacy helps people communicate their preferences, understand their rights and take an active role in decisions that affect their lives. Together, these experiences reflect our commitment to listening to each person and supporting what matters most to them.

Levy revenue represents a significant portion of the County Board's funding and supports the continuity of local services. These local dollars are used in Henry County to support eligible children and adults with developmental disabilities and their families. Our responsibility is to use these resources carefully and transparently while helping each person pursue a life shaped by their own goals, choices and community connections.

HOPE Services remain committed to sharing clear information about our work and to keeping people at the center of every decision. Inclusion is an ongoing responsibility, and we will continue working with individuals, families, providers and community partners to build a Henry County where every person is respected, supported and able to participate in ways that are meaningful to them.

Learning Skills That Can Save a Life

Voices of HOPE Members Earn CPR Certification

Voices of HOPE members spent their September meeting learning an important skill that can make a difference when someone needs help — CPR!

Members had the opportunity to complete CPR training and earn their certification with some receiving their initial CPR certification and others completing the training to renew their certification.

During the hands-on training, members learned and practiced skills that can help them recognize an emergency, respond appropriately and provide assistance until additional help arrives.

BUILDING SKILLS & CONFIDENCE

Opportunities like this are an important part of self-advocation. Being an advocate is not only about speaking up for yourself and others — it also about learning new skills, building confidence, and becoming more prepared to help in your community.

Our members worked hard, asked questions and practiced the steps needed to successfully complete their training.

We are proud of everyone who took on the challenge, whether it was their first time becoming CPR certified or they were returning to renew their certification.

THANK YOU, ANGIE!

A special thank you to Angie Gaucin for providing the CPR training and helping our members learn these potentially lifesaving skills. We appreciate Angie taking the time to work with Voices of HOPE and making the training an engaging, hands-on learning experience.

And thank you to all of our Voices of HOPE members who attended! We are excited to see our advocates continue learning, growing and finding new ways to make a difference.

OUR VOICE, OUR STRENGTH

Congratulations to our newly certified and re-certified
Voices of HOPE members!

2025 COMMUNITY IMPACT - SUPPORTS - FREQUENTLY ASKED QUESTIONS – FINANCIAL BREAKDOWN

507	257	250	143	63
Total Individuals Supported	Adults Supported	Children & Youth Supported	Special Olympics Athletes	Community Employed

Q: What is the primary role of HOPE Services?

A: HOPE Services is a community partner that makes sure people with developmental disabilities get the support they need at every stage of life. We don't just connect families to services, we help coordinate, guide and make sure individuals have support and funding to build their independence to live, work and thrive in Henry County.

Q: What are the terms and millage rates of the levy?

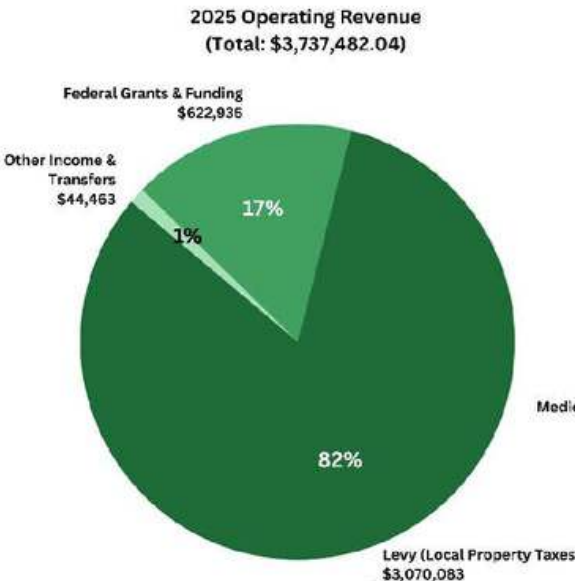

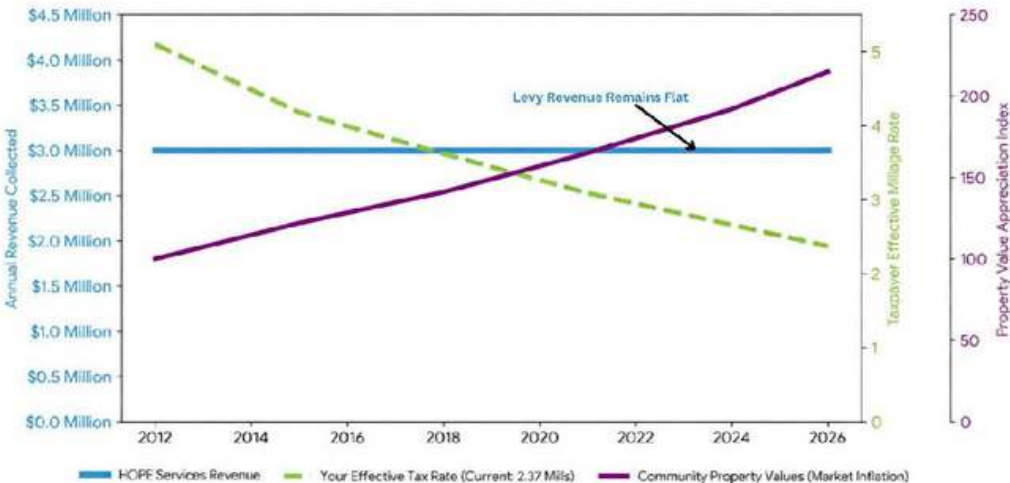

A: 2.5 mills levy for five years, which is estimated to generate \$2.95 million per year. It stands as the primary funding vehicle ensuring stable long-term local operations and would first be collected in 2027.

Q: What does the levy cost an individual local taxpayer?

A: For a home valued at \$100,000, the levy costs approximately \$88 a year (or just \$7.33 per month). Actual tax rates vary based on individual property valuations.

Q: Why is a levy needed?

A: A levy is needed because the cost of services continues to increase, while our current revenue is no longer keeping pace. Our existing levies are from 1982, 2000 and 2006 so they are still collected based on property values from those years. Updated levy funding would help ensure that individuals and families in our community can continue to access the support, resources and opportunities they depend on each day.

HENRY COUNTY SPECIAL OLYMPICS

September marks the beginning of fall, but it certainly didn't slow down the Cougars! Our athletes have been busy wrapping up the fall sports season while continuing to showcase their hard work, dedication, and sportsmanship. One of the biggest highlights of the month was the conclusion of our softball season, with athletes competing at the 2026 Special Olympics Ohio State Softball Tournament in Marysville. While softball season has ended, many of our athletes are already hard at work preparing for upcoming football and cornhole competitions, making this an exciting time for Henry County Special Olympics.

We recently hosted our 2026 Special Olympics Ohio Golf Scramble, welcoming 19 teams, including several athlete teams. We were also honored to have a team from Sandusky County join us for the event. The day was filled with great golf, plenty of laughter, and opportunities to build new friendships. Thank you to everyone who participated and helped make the scramble a success.

We also celebrated our athletes during the 2026 Athlete Banquet, where we recognized the hard work, dedication, and achievements of all our athletes throughout the year. A special congratulations goes to Alex Eis, our 2026 Athlete of the Year. Alex has participated in basketball and is currently active in track and field, cornhole, and bowling. He consistently demonstrates outstanding sportsmanship, encourages fellow teammates, works hard, and serves as a positive role model for everyone in our program. Alex's dedication both on and off the playing field makes him a deserving recipient of this honor. Congratulations, Alex, on this well-deserved recognition!

Our Athlete Leadership Team had the opportunity to give back to the community by volunteering at this year's HOPE Foundation BBQ Fundraiser. The HOPE Foundation is a local nonprofit organization that supports individuals with developmental disabilities by providing opportunities, resources, and assistance that enhance quality of life and promote inclusion. Our Athlete leaders helped keep the drive-thru moving smoothly by handing out meals to guests throughout the evening. It is always rewarding to find ways to serve and support our community.

Softball State Tournament Success

Our traditional softball team and several skills players traveled to Marysville on September 19 to compete in the 2026 Special Olympics Ohio State Softball Tournament. Our Division II Traditional Team had an outstanding performance, earning Silver – 2nd place in their division.

Several athletes also competed in individual skills competitions with great success:

- Dalton Kidd – 1st Place
- Joey Kuehner – 4th Place
- Robby Bauer – 5th Place

Congratulations to all of our softball athletes on a tremendous season and an excellent showing at the state tournament!

Fall Sports Update

Football season is officially underway! We are proud to have two football teams competing this year. Athletes have been working hard at practices and have already begun their game schedules. Be sure to follow our Facebook page for season updates, scores, and photos. Both teams are preparing for the Northwest Regional Football Tournament on October 10 and will then head to the Special Olympics Ohio State Tournament on October 24-25.

Our Cornhole teams have also been practicing hard as they prepare for competition. Athletes will compete at the Northwest Regional Cornhole Tournament on October 4 at Ohio Northern University before heading to the State Tournament on October 24-25.

Winter Sports Registration & Athlete Leadership

Winter sports sign-ups are now open! Athletes interested in participating should contact Zach or Renita to register. Winter sports opportunities include:

- Basketball
- Cheerleading
- Swimming
- Esports
- Powerlifting

Please note that Adult Basketball Assessments are required and will be held on Wednesday, October 7, from 5:00-7:00 p.m. at The Filling Home Gym.

In addition, we are currently accepting new members for our Athlete Leadership Program. Athlete Leadership provides athletes with opportunities to develop leadership, communication, and advocacy skills while serving as ambassadors for Henry County Special Olympics. Thank you to all our athletes, families, coaches, volunteers, and supporters for making this another memorable season. We look forward to cheering on our athletes as they continue to compete, grow, and represent Henry County with Cougar Pride!

Stay connected with all the latest Cougar news by following our Facebook page, Special Olympics Ohio – Henry County! We regularly post updates about home and away games, tournament results, athlete achievements, fundraising events, volunteer opportunities, and upcoming activities. It's the best way to stay informed and support our athletes throughout the year.

While you're following along, be sure to mark your calendars and join us at the HOPE Services Truck or Treat on Thursday, October 15. We hope to see our athletes, families, and community members there for an evening of fun, treats, and Cougar spirit!

Everyone, have a wonderful fall.

BOWLING

Schedule Update

Due to the number of fall and winter sports taking place, and in order to maintain appropriate staffing requirements, we have made the difficult decision to adjust our bowling schedule.

TUESDAY EVENING
Community Inclusion Bowling

will begin in ➔ **JANUARY.**

SPECIAL OLYMPICS
State Bowling practices

will begin in ➔ **MARCH.**

We understand that this change may be disappointing and apologize for any inconvenience it may cause. This was **not an easy decision**, but we believe adjusting the schedule will help us ensure we have the appropriate staffing in place while continuing to provide quality opportunities for everyone.

Thank you for your understanding, patience, and continued support!

Meet Kenli Good!

Service Coordinator • Early Intervention

Hello, HOPE Community!

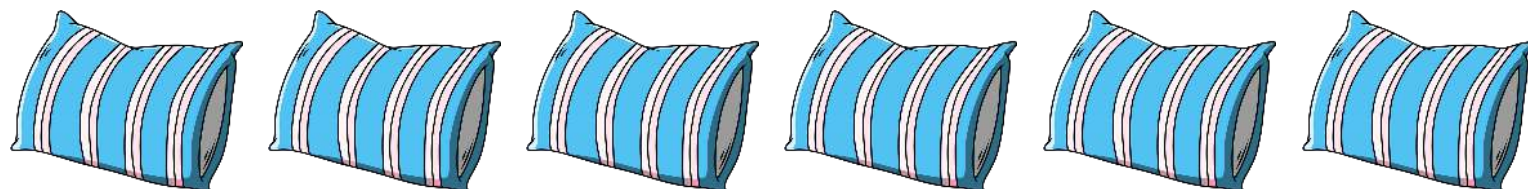

My name is Kenli Good, the newest Service Coordinator in Early Intervention, and I'm so happy to be here! I thought it would be nice to share a little about myself. My journey started in another county as a Service and Support Administrator, and I fell in love with the field completely. I'm excited to have started down a new path in Early Intervention and help to support families and children in Henry County.

When I'm not in the office, you'll probably find me hanging out at home with my husband, 2-year-old son, and our dog. We especially love to explore places together including the zoo, local fairs, and going out to eat! I personally also love getting lost in a book and drinking coffee. Writing, using my own version of calligraphy, preparing signs, posters, etc. is something else I really love to do. I've been told I have nice handwriting and it's been fun helping others out when they need some creative writing on a project of theirs.

I'm so excited to meet new faces here at HOPE and to make long-lasting connections in the community.

SUPPORTING CHILDREN. STRENGTHENING FAMILIES.

💙 A Big Thank You to Cindy Bruns! 💚

We are so grateful to Cindy for her incredibly thoughtful donation of homemade pillowcases for individuals supported by HOPE Services! She dropped off a whole bag filled with beautiful pillowcases she made herself, and we can't wait to share them.

Cindy also shared that she has made thicker, comforting blankets for children in the past that have helped provide a sense of calm, and she would be happy to make more for individuals who may benefit from one.

If you know an individual or family supported by HOPE Services who could use a pillowcase or may benefit from a comforting blanket, please reach out to us at 419-599-2892.

Thank you, Cindy, for sharing your time, talents, and kindness with our HOPE community!

Donate To Enrich The Lives Of Those We Serve

The HOPE Services Foundation was formed in 1999 and assists in enriching the quality of life of children, youth and adults who are served by HCBDD.

This is a Tax deduction 501 (c) (3) opportunities for families, friends, neighbors to make a lifetime investment or leave a legacy in honor of or in memory of someone.

At HOPE Services Foundation Inc, we know that change starts with people like you. Every act of kindness, every dollar, and every moment of your time brings us closer to achieving our mission. Together, we can create a brighter, more compassionate world for all.

How you can help power our mission:

- Donate: Every dollar counts. Contribute now to help us reach our goal.
- Share: Share our campaign with your friends, family, and on social media. Your advocacy can amplify our impact.
- Volunteer: Your time and skills can make an impact too.
